

BRILLIANCE

Crafted Prayer for Brilliance Fall:

B26 Prayer Team

"Heavenly Father, thank you for preparing this space at Brilliance Fall, where hearts will let go of the old and embrace who they truly are. We trust Your joy to reveal the depths of Your nature as attendees step fully into their new self—the starting place from which everything else grows.

Lord Jesus, thank you for the access You have already secured. Your presence changes the way we lead our lives, not by our effort, but from our new self in You. Clear away every old pattern that no longer fits. Open each heart to simply receive what You have already provided—a new way to live and lead, in oneness with You.

Holy Spirit, teach us a new way of learning with You—not by information, but by intimacy. Meet every attendee in this room. Let discovery happen naturally, as they walk with You session by session, leading and living from the identity You've already given them.

We receive Your rest and Your presence over every part of this event. May each person leave knowing this: the way we lead our lives changes not by trying harder, but by beholding who You are and who they already are in You. In Jesus' name, Amen."
